Landlords who have two or more residential units must provide each tenant (one per unit) *and* the Vermont Department of Taxes with Form LC-142, Landlord Certificate, by January 31. When landlords file their Landlord Certificates through myVTax, the system automatically sends the certificate to the Department. The landlord must then give the tenant a paper or electronic copy to use to file a Renter Rebate Claim if the tenant qualifies. For more information, visit the Department's website at tax.vermont.gov.

Step 1: Log in to your account

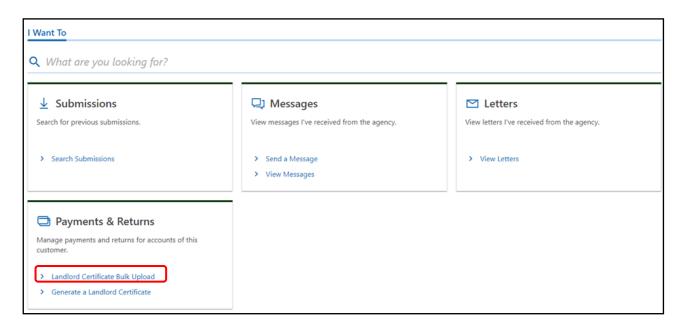

A. If you have a large number of Form LC-142, Landlord Certificate, to submit, you can upload them in bulk through your myVTax account. First, log into your account at **www.myvtax.vermont.gov**.

Page 1 of 5

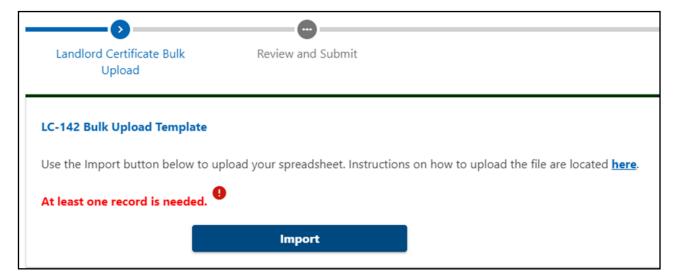

B. Click on the **Landlord Certificate Bulk Upload** hyperlink under the **Payment & Returns** section.

Step 2: Download the LC-142 Bulk Upload Spreadsheet

Download the LC-142 Spreadsheet by clicking **LC-142 Bulk Upload Template** and saving the template to your computer.

Note: You may use your own spreadsheet. The system will accept spreadsheets in the common programs, such as Excel, Pages, Google Docs, etc. Please be sure to use headers on the spreadsheet, or if you do not use headers, leave line 1 blank.

Step 3: Match the fields

- **A.** Input the data into the spreadsheet using the column titles as a guide.
- **B.** If using your own spreadsheet, make sure the spreadsheet you are using has the same order to the fields as the downloadable version on myVTax. Each item should have its own column.
